

JOHAN GLUD JENSEN

Front-end Developer

EXPERIENCE

JUNIOR DEVELOPER

06/2019-currently

Currently hired and working as a Junior Developer at Cube, Ambassadors in Amsterdam, The Netherlands. My current role consists of developing user templates extensions for Cube, which are used to simplify commercial rendering.

CONTENT REVIEW ASSOCIATE

09/2018-06/2019

I worked as a Content Review Associate at Accenture in Dublin, Ireland. My job was to make sure correct client policies were being upheld and reviewing client data.

INTERNSHIP

02/2018-05/2018

I worked as an intern for a company making them a website and new brand identity. I was in charge of making a website from start to finish, as well as other media projects such as a small "about us" after effects video.

EDUCATION

MULTIMEDIA DESIGN

Lillebaelt Academy, Odense

2016-2018

CREATIVE BUSINESS (ERASMUS)

Breda University, Breda

08/2017-02/2018
